

Dear Applicant,

Thank you for your interest in Waltons New School of Music's Tuition Assistance Program. The New School offers tuition assistance for lesson fees based on financial need. In order to be considered for tuition assistance, please complete and return this application along with copies of the required documents listed below. If you have previously studied music either at the New School or elsewhere, please include a recommendation letter from your music teacher as well.

In general, the range of tuition assistance awards will be between 10% and 35% of the total tuition fee(s) for those who qualify. Please take this into consideration when deciding what lessons to pursue.

This form is for application records only, and providing information on it does not enroll you for lessons. A separate enrolment form must also be submitted.
